STAMFORD COMMUNITY LIBRARY BOARD OF TRUSTEES

Minutes of Aug 30, 2021

Members present: Caroline Burch, Rebecca Gamari, Linda Rodovick, Tyna Senecal, Danielle Smith

The meeting was called to order at 5:47 p.m.

Renovation Update:

We are excited to have permission from the Mullett family to use their donation to create a beautiful window seat in the children's section. Not only will this add additional seating, but it will provide storage underneath.

We would like to find two leather chairs to add to the new seating area at the front of the library. These would be easy to clean, but also aesthetically pleasing.

Linda suggested we use corkboard for the window area next to the school side entrance. This would provide privacy as well as space for notices.

If things move according to plan, we are looking at September 14th for a soft re-opening.

Other:

We are in need of some additional substitutes, especially those with wider availability.

Members questioned if any progress was made on relocating the wood chip pile that still remains outside our windows. While there has been a lot of discussion, we do not believe anything has been done.

There was a lot of discussion about the suggested use of grant funds to include a tv and gaming system. All board members felt that if we moved forward with it, the use of them would need to be restricted to programs only

*Motion to adjourn at 6:45 p.m. made by Burch, seconded by Rodovick
